

Gun Laws of Montana

Gary Marbut

Including: Concealed Weapons Permits, Lethal Force, Firearms Security, Kids and Guns, and Commentary.

Foreword by David B. Kopel

“Gun Laws of Montana”

A trade paperback (5 1/2" X 8 1/2")

by

Gary Marbut

First time ever!

- All Montana gun laws in one place!
- A firearms law library at your fingertips!

Be well-informed - know your rights, and your responsibilities.

Foreword by: **David B. Kopel**

Mr. Kopel, an attorney with the Independence Institute in Colorado, is probably the most prolific legal writer about firearms and the right to keep and bear arms in the U.S.

Cover art: This historical artwork, titled "THE SHERIFF" was painted by the author's grandfather in the 1930s.

Included:

- Montana gun laws reprinted
- Summaries of the gun laws
- Other chapters include subjects such as concealed weapon permits, use of lethal force, safe gun storage, kids and guns, child gun safety, and more
